WINE SELECTIONS

We strive to present a thoughtful and comprehensive list of wines from around the world that best suit my preferences and those of our guests. Small boutique wineries and world renowned labels find a place here, with a focus on the wines of Los Carneros, Napa Valley, and Sonoma County. We want to share not only an array of styles, but the history and traditions of these regions, as well.

Many of the wines featured herein, whether local or from afar, are made from grapes grown by farmers who practice sustainable, organic, or biodynamic farming methods.

Should your occasion bring you to our restaurant prepared with wine of your own, we allow our guests to bring up to two bottles of wine, with a \$35 corkage fee per 750ml. However, we gladly waive one corkage fee for each 750ml bottle which you purchase from our list.

Thank you for joining us,

Wine Director
