

## The Carneros Inn

The Carneros Inn is a luxury resort located in the heart of Napa Valley's Carneros winegrowing district. It is located at the gateway to the Northern California wine country, 45 minutes from downtown San Francisco. The Carneros Inn is the first full-service resort to be built in Napa in 20 years, and the first ever in the world-renowned Carneros wine region.

The Inn was designed to provide visitors and residents with world-class hospitality services amidst some of California's most picturesque vineyard landscapes, as well as a town square for the Carneros community, The Carneros Inn provides an unforgettable experience.

The resort features 86 charming, private guest cottages and suites and nightly private luxury Home rentals, each furnished with casual elegance and nestled in a lush garden courtyard with private deck. The cottages are designed to combine the feeling of a sophisticated vacation home with all the conveniences of a top-flight hotel.

Cottage amenities include wood-burning fireplaces, outdoor gas heaters for cool fall evenings on the patio, indoor and outdoor showers with heated-slate floors, large-screen plasma TVs, DVD/CD player, T-1 speed Internet access over interior and exterior Ethernet ports, Italian bed linens, Frette towels, breakfast baskets and regular morning newspaper delivery.

The cottages have been designed with classic contemporary furniture, an abundance of natural light, cherry wood floors, vaulted ceilings and luxurious bathrooms with heated-slate floors.

Innovative dining options at The Carneros Inn, include the architecturally dramatic Hilltop Dining Room, FARM, and The Boon Fly Café, a roadhouse-style public eatery.

The property also offers outdoor terrace dining and an infinity pool, both with panoramic vineyard views; bar and award-winning spa facilities. The internationally acclaimed Spa at The Carneros Inn, another unique element of the property, incorporates local ingredients in treatments that are categorized by distinctive wine country themes: Harvests, Minerals, Cellars, Farms and Creeks. Examples include a Warm Goat Butter Massage, an Organic Harvest Paprika Facial and a Grape Seed and Guava Body Scrub, all inspired by the natural resources of the Carneros region. And, most importantly, first-class service delivered with warmth and ease.

The Carneros Inn was named “one of the 25 most romantic getaways in the world” by Travel + Leisure magazine. In addition to the hotel accommodations, 24 stylish resort homes are located on the grounds, allowing homeowners access to all the services and conveniences of the luxury hotel, including concierge and event planning. •
